

Blooming

NewsLetter

April 2026

What's New!!

We have some exciting news to share we you.

We've made several improvements to enhance our services and your experience:

New team member - We are pleased to welcome Cleophas, who joined us in February as an Accounts Assistant. Congratulations to him on his recent marriage—we wish him every happiness.

Fixed Price Agreement -We now offer three fixed-fee service packages (3*, 4*, and 5*). You will receive a link to book a call so we can recommend the most suitable option for you or your business.

New Website - Visit our new website: www.bloomingltd.co.uk. This newsletter is also available there.

New email address - Please update your records: info@bloomingltd.co.uk

Technology & Process Improvements - We have introduced new systems to improve efficiency and communication:

Client Management System - We now use Engager for secure document sharing, e-signatures, and client communication. It is accessible via mobile app.

Payment Options - We have partnered with Adfin to offer Direct Debit and card payment options, helping you manage cash flow more effectively.

Getting in touch - Meetings can now be scheduled easily via our Calendly booking link: [book-a-meeting](#) (included in our email signature).

For Sole Traders

Making Tax Digital (MTD) - will become mandatory based on 2024/25 tax return gross income.

It will be introduced in phases as per below:

From 6 April 26 - income over £50,000

From 6 April 27 - income over £30,000

From 6 April 28 - income over £20,000

For Employers

Employment Law Changes (April 2026)

Statutory Sick Pay (SSP) and parental leave rights apply from day one of employment.

New National Minimum Wage Rates:

- Age 16–17: £8.00
- Age 18–20: £10.85
- Age 21+: £12.71

For Companies

Companies House Identity Verification Mandatory from 18 November 2025 for company directors. <https://www.gov.uk/guidance/verify-your-identity-for-companies-house>

Required to file your confirmation statement.

We are authorised to assist you with the verification process if needed.
